Mr. J.T. Judge,
Chairman,
Seed Grain & Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

Re: Percy J. Colthorp.
SW 30, N 32, SW 34-12-9-4.
Joint Relief Advances.

The above party obtained the following Joint Relief Advances giving as security liens on the title to the above land.

Relief.	
Apr. 16/20	120.00
Apr. 7/22	77.00
Dec. 12/19	98.45
Mar. 22/20	28.30
	$323.75
Int. to Mar. 31/38	262.77
	$586.52

The debtor endeavoured for years to continue his farming operations but eventually abandoned this land and for some time received a very precarious living from rentals from other property he owned. He eventually lost his other property through tax recovery action and his present whereabouts and method of obtaining a living are unknown.

Title to the SW 30 and the NW 32 were taken by the taxing authorities under the provisions of the Tax Recovery Act for non-payment of taxes while the SW 34 still appears in the records of the Department of Lands and Mines as unpatented land. SW 30 and the NW 32 were eventually transferred to the Department of Lands and Mines for administration as no sale materialized and all three parcels remain under the jurisdiction of that Department. The policy in connection with such land situated in the drier parts of the Province is to hold same available for lease only and due to the low productivity of the property insufficient is realized to provide

Sir,—I am to acknowledge the receipt of your letter of the 23rd ultimo, Ref. 13094-13097-15110 M.H., and in reply I am to say that on the 22nd of May, 1913, Mr. Tom Stefanus made homestead entry for the N.W.¼ of Section 24, Township 17, Range 10, West of the 4th Meridian and gave his age as thirty-seven and place of birth, N.Austria.

On the 1st of September, 1916, Mr. Thomas Stefenick made homestead entry for the N.E.¼ of Section 23, Township 17, Range 10, West of the 4th Meridian and gave his age as thirty-nine and place of birth, N. Austria.

If you are under the impression that the entrant for the two quarter sections referred to are one and the same person you are to instruct the Homestead Inspector to visit the lands and make a full and complete investigation and report on form #34.

The Inspector should obtain what information he can from relatives or from neighbors in the vicinity of the land.

Entry granted 1st September, 1916.

In an application for seed grain this year the Agent at Medicine Hat reported on the 9th March last that Thomas Stefenick gave the last above mentioned land as his pre-emption, but the quarter-section stands as a homestead in the various books of the Department.

Homestead Inspector Switzer, who was instructed to investigate the case, reported as follows on the 30th July, 1918:-

Residence:-

"In residence on homestead N.W. Sec 24-17-10-West 4th. Continuous residence on homestead since making application for same, to date."

According to this report there would appear to be no doubt that Mr."Stefanus" or"Stefenick" wanted the second quarter-section as a pre-emption, and as he cannot write and is a foreigner the mistake was made, though the same clerk in the office at Medicine Hat has evidently taken the two applications for entry.

It would appear that the second homestead should be changed to a pre-emption entry, in the name of Thomas Stefanus who is the correct one according to certificate of naturalization obtained at the time application for patent was made for the first homestead.

Homestead of Tom Stefanus.
Entry granted 22nd May, 1913.
Patent issued 31st January, 1916.

N.E.¼. 23-17-10 W.4th M.
Homestead of Thomas Stefenick.
Entry granted 1st September, 1916.

This entrant appears to have been granted two homestead entries at different periods in different names, but he now claims that the N.E.¼. 23-17-10 W.4th M. should have been registered as his pre-emption.

Homestead Inspector's report dated the 30th July last in reference to the N.E.¼. 23-17-10 W.4th M. shows residence on homestead N.W.¼. 24-17-10 W.4th M. continuous since making application for same to date.

Improvements - none.
Cultivation - none.
Area fit for cultivation - 75 acres.
Remarks:-

"This man's proper name is "Thomas Stefenick, and he is the same man who "filed on N.E.23 and N.W. 23, in Twp. 17, Rge. "10, West 4th M., but he claims the N.E. Sec. "23 is his pre-emption. He has house, barn, "1¼ mile fence and 85 acres under cultivation "on homestead."

The case was submitted by Mr. Trudel and instructions were given to call for a declaration from Stefenick setting out the facts as to the granting of entry, and correct name. He should also forward entry receipt for inspection.

Statutory.....

(over)

Statutory declaration dated the 17th ultimo from Tom Stefanus is as follows:-

"I, Tom Stefanus, farmer of the "District of Alderson, Province of Alberta, "make oath and say that my name is Tom "Stefanus and that I filed on the N.E.¼. of "Sec. 23 Tp. 17, Rg. 10 West of 4th M. on "the 1st day of Sept., 1916, believing the "same to be a Pre-emption. I make this solemn "declaration believing the same to be true and "knowing it is of the same force and effect as "if made under oath and by virtue of the Canada "Evidence Act."

The Interim Receipts in reference to both quarter-sections have been forwarded and are "marked" for your perusal.

I would draw your attention to the Agent's statement in his letter of the 9th of March, 1916, as follows:-

"The N.W.34-17-10-W4th is the patented "homestead of Thomas Stefenick."

In an application for Seed Grain this year he quotes the N.E.¼. 23-17-10 W.4th as his pre-emption, but this land stands in the records of this office as a homestead entry of Thomas Stefenick. When this entry was granted on the 1st September, 1916, he was asked whether he held any other homestead entry and replied in the negative.

This entrant was an Austrian but has apparently been naturalized in the name of Thomas Stefanus.

Please advise me if the N.E.¼. 23-17-10 W.4th M. is now to be registered as the pre-emption entry of Thomas Stefanus.

Sir,-

N.W. ¼ of Sec. 24 Tp. 17 Rge. 10 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Commissioner of Dominion Lands.

Complying with your request of the 20th ultimo, I am enclosing herewith itemized statements showing the Federal and the Joint Provincial and Federal indebtedness outstanding against the above.

The N.W.¼ of 24 was the lienee's homestead patent to which issued in his name in 1918. According to an abstract of title drawn under date of December 19th, 1928, the 1915 liens are registered against the same, but the Federal 1920 and 1921 liens and the joint liens are not registered.

The N.E.¼ of 23 was the lienee's pre-emption, cancelled in April 1927 and still vacant.

There is no information on file as to the valuation of those lands, nor as to the present address of the lienee.

This Municipal District has been disorganized and its affairs are being administered by the Provincial Government.

The Municipal liens are charged against the N.W.24-19-10-W.4th Mer., the Patented land.

RE: N.W.24-17-10-W.4th Meridian.

Title to this land has passed to the Crown in the right of the Province under Tax Recovery Act procedure. The land is in the Tilley East Area and will not be offered for sale. I recommend that all liens be discharged from the title to this land without consideration.

RE: N.E.23-17-10-W.4th Meridian.

The debtor's entry to this land was cancelled in 1927 and is still vacant. It will not be subject to re-entry because of its situation in the Tilley East Area, and I recommend that all liens held against this property be discharged.

Departmental Inspectors have reported that after a number of years of continued crop failure he abandoned his holdings in the Tilley East Area and moved to Olds, Alberta. Department Inspectors endeavored to locate him at Olds, but it is reported that he left there some years ago and all trace of him has been lost.

There would appear to be no good purpose served by retaining this account on the records of either the Dominion or the Provincial Governments, and I recommend that both the Federal and the Municipal indebtedness be written off as uncollectible.

Sir:- Re N.W. 22-18-2 4th Mer.

I beg to enclose herewith duplicate certificate of title 16[illegible]2 covering the South East ¼ of section 22, township 18, range 2, West of the 4th meridian, which was required here in connection with your application for patent for the above land, the same having served the purpose for which it was forwarded here.

In the heading of your application for patent and in the heading of the evidence of your witnesses, your land is wrongly described, as you hold homestead entry for the South East ¼ of section 22, and pre-emption entry for the North West ¼ of section 22. It will therefore be necessary for you and your witnesses to again appear before the Sub-agent at Empress, and correct your error. You will be required to initial all corrections, resign same, and be re-sworn.

Dear Sir;-

Re: SE¼ 17-18-18-4.

I am in receipt of your letter of the 17th instant reporting payment of $30.00 and credited to the outstanding arrears indebtedness against A. Skretting, in connection with the above described land. See your files 611285 T&C, 2599811, 2604487.

According to the records of this office there does not appear to be any indebtedness registered against the land in question. I might say we have a charge of $60.92 against one T. Skretting, and the S.E. 9-18-18-W.4th Meridian

Be good enough to check and advise.

Re A. Skretting,
E.½ of 17-18-18-W, 4th Mer.

I beg to advise that the reason the interest outstanding as at August 31st, 1927, does not agree with your records is that the payment of $20.00, fifty per cent of which was sent to you on August 12th, 1927, was not applied as shown in my statement to you on that date. While the payment was actually made on the 29th November, 1926, therefore interest was only charged to that date.

Would you kindly apply the said payment in your records as principal $13.04, interest $6.96. This, I think, would leave the balance of interest outstanding to August 31st, 1927, as $2.67.

Dear Sir:

Re: S.E. 17-18-18-W. 4th Meridian,
Asbjorn Skretting,
Joint Relief Advances.

A Solicitor acting for Gabriel Skretting, brother of the debtor, Asbjorn Skretting, contacted this office with respect to Joint Relief Advances in the principal amount of $50.72 and interest to May 31st, 1957, amounting to $108.28, a total of $159.00.

It appears that Gabriel loaned his brother Asbjorn a considerable sum of money and accepted the S.E. 17-18-18-W. 4th Meridian in part payment. When Gabriel noted liens registered against the Title he instructed his Solicitor to do whatever was necessary to have them removed.

Gabriel Skretting is apparently in good financial circumstances and rather than enter into negotiations for a compromise settlement he paid the full amount of principal and interest.

Our Cheque No. B 57515 dated the 24th instant is tached, hereto, in the sum of $79.50 representing your share the collection. Under the circumstances I have released the s registered with respect to the advances.

Yours very truly,

A. R. Duff, Chief Collector,

Mr. Hume.

N.W.¼ 27 - 1 - 16 - W. 4th M.
Pre-emption Charles Ostby,
8th September, 1908.

S.W.¼ 34 - 1 - 16 - W. 4th M.
Homestead Charles Ostby,
Patent issued 18th March, 1912.

Cancellation proceedings were instituted against the pre-emption entry in this case in April, 1917.

The entrant in his defence of May, 1917, claimed four terms of residence up until the month of January, 1912, and part of the winter of 1914, eighty acres broken and the land cropped in ten seasons.

He has advised the Department he was informed by the Dominion Lands Agent at Lethbridge that thirty days' residence would place his entry in sufficiently good standing to permit of his making application for patent. This was not contradicted in the reply from this office when he was advised that any period less than thirty days would not be accepted as constituting residence for the purpose of perfecting the entry.

In a declaration bearing date the 24th of October he set out he would be in residence on the 26th of that month. In a letter now to hand he sets out that on the 30th of November last his residence duties were fulfilled, presumably having performed residence from the 26th of October to the 30th of November following. He asks that the cancellation proceedings pending be abandoned.

Kindly say whether in a case of this kind, where the entrant was given to understand that the performance of thirty days' residence was sufficient to place his entry in good standing, he may now be considered as having perfected his entry, and in a position to make a successful application for patent upon the completion of the payments outstanding, and the cancellation proceedings pending abandoned?

was the case, it is reasonable to suppose that he would have claimed residence up to the date of writing. Please see attachment #3995481.

Taking it for granted that Mr. Ostby has only put in a little over thirty days' residence on his pre-emption after being absent from the land for two or three years, it remains to be decided whether this should or should not be accepted as satisfactory.

At one time it was the practice to accept thirty days' residence as placing an entry in good standing, but this course is not now followed, and the concession is only granted when we have proof on file that the entrant has been advised, either by the Agent or this Department, that thirty days' residence would be sufficient.

The other duties have been satisfactorily performed but the land has not yet been paid for.

Mr. Ostby asked the Department for a definite statement as to whether thirty days' residence would be sufficient, but the reply sent him did not clearly state that this period of time would or would not be sufficient. Please see Departmental letter dated the 24th July, 1917, marked.

Kindly state whether Mr. Ostby may be informed that on paying for the land in full, he could make a successful application for patent, or whether it will be necessary to call upon him to perform a further term of six months' residence.

Respectfully submitted,

A.R.B. 1671115.

Homestead Charles Ostby.
Patent issued 18th March, 1912.

The question to be decided is whether or not Mr. Ostby should be called upon to perform any further residence in connection with his pre-emption.

Mr. Ostby applied for patent for his homestead on the 1st Februar., 1912. Up to that time he had performed six months' residence in each of four years. See Form #58 on file 2605918, marked.

Cancellation proceedings were instituted against Mr. Ostby's pre-emption entry on the 5th April, 1917. In his evidence Mr. Ostby claimed that since making application for patent for his homestead, he had lived upon the land for about four months.

Mr. Ostby claims to have been informed by the Agent that thirty days' residence upon the pre-emption would place his entry in good standing but we have only Mr. Ostby's word for this. At all events, Mr. Ostby claims to have lived upon his patented homestead from the 26th October, 1917, presumably to the 30th November last.

It would not seem that Mr. Ostby is now in residence upon his patented homestead, but as the Post-Office at Warner, where he writes from, is not very far from the homestead, it is possible that he may be living upon the same, although if this

Entry granted 8th November, 1906.

Mr. Ostby made application for patent on the 22nd of November, 1918, secured a Certificate of Recommendation, which expired on the 26th of February, 1921. This document is on file.

In February, 1927 he was granted further extension of time, to pay the purchase price. The amount due up to the 1st of November was $795.04.

In view of a letter received from Messrs. Shepherd, Rice & Fairbairn regarding the tax indebtedness, the case was submitted by Mr. Hume's memorandum of the 6th ultimo, and it was decided to institute cancellation proceedings. This action was taken on the 16th ultimo. In answer to question 16 of his defense he states.

"Owing to drought I have got little or no crop. I will send the 8b acres of summer follow this year, and intend breaking 30 ac. on P. E. If I get a crop I will pay 20% of it to reduce my indebtedne... I am making a payment of $46.10 today."

In view of the letter received from the above mentioned firm of lawyers, which I have marked, please say what further action you desire taken in this case.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

Sir:-

Referring to the above Board Order, dated the 1st ultimo, and to Mr. Loree's letter of the 14th January, attached thereto, it is noted that the sum of $252.72 is to be applied to relief, while the only relief lien mentioned is one for $92.00. It would appear, therefore, that the statement of Joint Relief has been omitted from Mr. Loree's letter. Please advise.

Sheriff's fees to have this seizure effected and of course if the government are going to claim a prior claim and claim the benefit of my labors in this behalf you will understand the hardship is created in that my clients will suffer not only the loss of their just debt due to them but the loss of the costs which I have been put to in effecting the seizure and an order for removal and sale by the court, and in view of the fact that Trieber has still sufficient or at least almost sufficient grain to satisfy the amount owing to the government, I feel that you should have no hesitation in advising the Superintendent of Western Land Agencies to release the monies herein in order that the Sheriff can pay them out to me and instructing that a seizure be made on behalf of the government.

I think that you will agree with me that it is quite unfair that when creditors go to the expense of taking a judgment against the debtor and the further expense of having a seizure made, that after the monies have been made to them be confronted with a claim of the government. It strikes me that the government should in the early part of the season notify the Sheriff of any claim and have the Sheriff make a seizure so that execution creditors would not have to go to the expense of obtaining judgment, realizing and then have the monies realized claimed by the government.

In this particular case all the government will have to do is to have the Sheriff seize and I am creditably informed in addition to the information which I have from the Sheriff that Trieber has sufficient for the government to realize on, if not the full amount at least a very substantial sum and as the monies realized in this matter are small, I shall be obliged if you will give this matter your immediate attention and if you will instruct the Superintendent of Western Land Agencies by wire to have the monies released herein.

Thanking you, I am

Dear Sir:

Re: Schuler & Hitchcox vs.
Robert Treiber, Schuler

On the 30th day of August 1927 the Sheriff of the Judicial District here did seize under an execution of the above 40 acres of wheat on the North-West Quarter of 33-16-1 and a half interest in 40 acres on 28-16-1. I am the solicitor for the execution creditors. The amount seized for was for a judgment of $73.35 and for taxed costs of $4.85 obtained on the 24th of January 192[illegible], on which the sum of $40.45 was paid on the 31st of December 1923, leaving a balance with costs of $90.10.

This morning the Sheriff received from Trieber a cheque for $90.10 which was a voluntary payment made to the Sheriff by Trieber which is a sufficient sum to retire this execution, being the only execution in the Sheriff's hands. The Sheriff advises me that after I had caused the seizure to be made and a short time ago he was advised that the Department have a claim for seed grain, fodder and relief advances made to Trieber and stating that the Department claims as a prior lien to this execution.

On taking this matter up with the Sheriff, he informs me that Trieber has an exceptionally good crop. that in addition to the seizures made herein that he has an interest in another fairly substantial tract of land whereby he feels that by making a seizure on behalf of the government, that Trieber has sufficient grain that the Sheriff should be able to realize a large portion of your claim. I stated to him that I could not see any reason why the government should claim a prior lien over this execution owing to the fact that at the time that I caused the seizure to be made I was not aware that there were any seed or relief liens against Trieber and if I had been aware, I was not in a position to have the Sheriff seize on behalf of the government as well.

The result is that I have paid substantial

Mr. Davidson makes a suggestion that it is not equitable for the Department to step in and confiscate the amount realised by the Sheriff on his execution seizure and requests that the Department immediately instruct the Superintendent of Reserves by wire to release the claim to this date.

Kindly advise.

Re: Account of Robert Treiber,
N.W.¼ 33-16-1-W4.

Dear Sir:

During the year 1919 while homesteading the above mentioned land, Mr. Robert Treiber received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $908.39 of which $261.33 is principal and $647.06 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

Ottawa, October 2, 1956.

Robert Treiber, Esq.,
Schuler,
Alberta.

Dear Sir:

Re: Account of Robert Treiber
N.W.¼ 33-16-1-W.4th

In a letter dated the 16th of February, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain which was advanced to Mr. Robert Treiber by the Federal Government in the year 1919. The amount outstanding is $908.39 of which $261.33 is principal and $647.06 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C. A. LeCapelain,
Chief,
Mining and Lands Division.

Re: Account of Robert Treiber
N.W.¼ 33-16-1-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $272.40 was advanced to Robert Treiber on the security of the above-mentioned land. A payment of $41.62 was received in 1920, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$261.33	$729.39	$990.72

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the lien be discharged.

HOUSE OF COMMONS [illegible]

[illegible]

Seed Grain Indebtedness.

Between 1[illegible] and 1[illegible] [illegible] seed [illegible], power [illegible] and other [illegible] to needy settlers in western Canada. [illegible] advances which were made in the provinces of Alberta and Saskatchewan between 1[illegible] and 1[illegible] were implemented on a 50-50 joint federal-provincial basis. These advances were secured by liens registered against the homesteads, pre-emptions and other lands of the settlers concerned.

From 1[illegible] to the present time the total principal indebtedness [illegible] from [illegible] to [illegible], through [illegible] form of [illegible]; [illegible] to the Crown. All the liens registered [illegible] British Columbia and Manitoba were discharged [illegible] some time ago, and payments in respect of the remaining Alberta and Saskatchewan indebtedness have fallen off in recent years due to unfavourable crop conditions.

Investigation has revealed that the majority of the outstanding accounts are registered against marginal or submarginal farms owned by small unit operators, many of whom suffered severe crop damage during the past winter, and further payments would cause unwarranted financial hardship.

Therefore Cabinet has granted approval for cancellation of the remainder of the federal share of seed grain indebtedness, and the provinces of Alberta and Saskatchewan have concurred in this recommendation with respect to the 1[illegible]-1[illegible] joint federal-provincial advances.

Ottawa, 22 January, 1941.

Robert Prather, Esq.,
Leader,
Alberta.

Dear Mr. Prather,

I am pleased to advise that our recommendation for the cancellation of all outstanding Federal Seed Grain, Fodder for Animals or other Relief Indebtedness has been approved by the Government. Enclosed is a copy of a statement in this regard, which was tabled in the House of Commons by my predecessor, the Honourable Alvin Hamilton.

A notice has been sent to the Registrar, requesting him to discharge the caveat and release the liens from the title for the S. of Section 32, Township 18, Range 1, West of the 4th Meridian, which is registered in your name. I would suggest that you submit your duplicate Certificate of Title to the Registrar for amendment, at your convenience.

I sincerely hope that cancellation of these old debts and the release of your lands as security for the liens will relieve you of the worry of this obligation incurred so many years ago by the pioneers.

Yours sincerely,

Walter Dinsdale.

Sir,

Re N. E. 1/4 16-1 W. 4th M.

I am to acknowledge your letter of the 14th March last, making application to be permitted to secure homestead entry for the quarter-section, above mentioned, owing to the fact that you are unable to make a living from your present homestead, the south east quarter of the same section, and in reply to say that as the quarter-section applied for is comprised within a forest reserve, your request cannot be granted.

However, in view of your representations to the effect that the lessee is not complying with the conditions under which the lease was granted the Controller of the Timber and Grazing Lands Branch is being furnished with a copy of this letter for such further action as circumstances may dictate.

With reference to your statement that your homestead contains only 70 acres, I beg to point out that according to our records, the quarter-section contains an area of 147.6 acres.

I am, Sir, Your obedient servant,

Assistant Secretary.

Dear Sir,

The Department begs to enclose herewith an Unpatented Land Lien executed on the SW-33-16-1-4. by George M. Betsch.

Mr. Betsch received an advance on 18th November, 1919, for $85.42, giving as security a Patented Land Lien on the SE-33-16-1-4.

It has now been found that this was in error. A Patent for this Quarter-Section has been issued in the name of the Canadian Pacific Railway Co., the land having been, prior to the issue of Patent, included in a closed lease No. 2953, issued by the Department of the Interior, in favour of the Many Island Lake Sheep Ranching Co.Ltd., and relinquished, so far as regards the above land on November 4th, 1920, so that the Railway might acquire the said land for townsite purposes.

Yours truly,

of Dominion Lands.

Re John W. Betsch
S.E.¼-1-1-W.4th.

Please see communication hereunder from Mr. Loree dated the 14th ultimo, wherein it is stated that representations have been made for an adjustment of the seed grain, fodder and relief indebtedness outstanding against the land above described. A statement in duplicate has, therefore, been prepared for the Adjustment Board.

Respectfully submitted,

W. J. Lennox.

which will result in an apportionment of the total sale price as follows:

Costs		
Taxes	$ 24.20	
Dominion Liens	160.80	
Joint Relief	276.76	
	388.84	$850.00

I would further recommend that when the sums allotted to the Seed Grain, Fodder and Relief liens have been duly placed to the credit of these accounts, all Dominion and Provincial liens registered against the title to the SW 33-16-1-4 be removed.

An effort has been made to collect from the debtor under his personal covenant, but he is reported to have left Alberta penniless and to be now working as a day laborer in Saskatchewan, where he is endeavoring to support a wife and ten children.

Certain chattels were given as security for the Joint Relief advances but these are all reported to have either perished or to be so far depreciated as to represent no security now. There would, therefore, seem to be little good purpose to be served by the retention of the undermentioned balance of this account, and I would, therefore, recommend that after the sums apportioned to seed grain and relief have been duly applied the balances of both the Dominion and Provincial accounts be written off, the latter write-off being as follows:

Relief, Principal	$ 88.68	
Interest	258.53	$347.21

Acting Director.

DEPARTMENT OF MUNICIPAL AFFAIRS.
EDMONTON, ALBERTA

23rd July, 1929.

E.J. Fream, Esq.,
Chairman, Seed Grain & Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:-

Re: SW 33-16-1-4 - John M. Betsch,
Dominion & Provincial Liens.

This land is held as security for the undermentioned advances made to the above man by the Federal and Provincial Governments:

DOMINION LIENS:

Seed Grain $525.88

PROVINCIAL LIENS:

Joint Relief:

Lien 1446, Mar. 19/19,	$ 76.00	
3816, Apr. 9/19,	103.90	
77, Nov. 18/19,	85.43	
791, Apr. 22/21,	49.95	
2734, Jan. 24/22,	33.50	
2818, Dec. 21/21,	36.70	
4928, Feb. 21/22,	34.60	
8983, Apr. 6/22,	57.45	
	$477.52	
Interest to Aug.31/28,	258.53	$736.05 $1,259.93

The debtor abandoned this property some years ago and moved to Saskatchewan, with the result that the Department of Municipal Affairs has now disposed of it by public auction for the sum of $850.00, which the Department's Inspector states represents the full value of the property, on terms.

In addition to the above claims there are arrears of taxes outstanding in a sum of $303.24, and costs incurred in caveating, taking title, etc., in an amount of $24.20. In view of the fact that the sale price is insufficient to satisfy these claims, I would recommend that the proceeds, after first deducting costs, be distributed on a pro rata basis between the undermentioned claims:

Taxes	$303.24	
Dominion Liens	525.88	
Joint Relief	736.05	$1,563.17

5. That the first charge upon the purchase price be the amount apportioned to Dominion Liens, to be followed by the amount apportioned to Joint Relief Liens, and that upon payment of the amounts apportioned to Dominion Liens, and one-half the amount apportioned to Joint Relief Liens, under the terms of the Agreement now in effect, that all liens registered against the said land be discharged.

6. That the debtor is now employed as a day laborer and is endeavoring to support a large family and there is no possibility of making any collection from him under his personal covenant.

The Board therefore recommends that with the payment of the amounts provided for herein, all liens registered against the said land be discharged, and any balances remaining unpaid be written off as uncollectible.

Re S.W. ¼, 33-16-1-W. 4th Mer.,

The Seed Grain & Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that all liens, Dominion and Joint Relief, registered against the S.W. ¼, 33-16-1-W. 4th Mer., for advances made to John M. Betsch, be settled for the sum of $276.76, for Dominion Liens; and $388.84, for Joint Relief Liens, and that upon payment of the said amounts, out of the sale price of the said land that all liens be discharged.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated 23rd July, 1929, and states in support of recommendation:-

1. That title to this quarter section passed to the Department of Municipal Affairs under Tax Recovery Proceedings.

2. That the Department has secured an offer of $850.00 for the said land payable on terms, and having in view its location and general description, this is a good price and represents the fair actual value thereof, and it is desirable that it be accepted.

3. That the prior claims chargeable against the said land consist of:-

Costs of sale	$ 24.20
Taxes	303.24
Dominion Liens	523.88
Joint Relief Liens	736.05
Total	$1,587.37

4. That it is desirable that the sale price be apportioned among the prior claims upon the following basis:-

Costs of sale	$ 24.20
Taxes	160.20

Your Ref: 3616393.

In acknowledgment of your letter of February 13th 1930, please be advised that while Board Order 1299, recommends that the above described land be sold for the sum of $850.00, and that the proceeds of sale be apportioned to the various claims as outlined in the Board letter, the sale of the land has evidently proved abortive.

The purchaser has paid to the Tax Recovery Branch the sum of $1.0.00 which is still held in Suspense Account, and, as the contract is not yet completed, and difficulty is being experienced in receiving a reply to correspondence in regard to the sale, the matter will of necessity be held in abeyance until such time as the sale may be either consumated or cancelled.

I will endeavor to inform you in the near future as to what has developed in regard to this matter.

Re: Account of John M. Betsch,
S.W.¼ 33-16-1-W4.

Dear Sir:

During the years 1920, 1921 and 1922 while homesteading the above mentioned land, Mr. John M. Betsch received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $271.80 of which $96.11 is principal and $175.69 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of John M. Betsch
S.W.s 33-16-1-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920, 1921 and 1922 seed grain amounting to $328.90 was advanced to John M. Betsch on the security of the above-mentioned land. Payments of $100.00 and $91.25 were received in 1930 and 1931, respectively, and applied to the principal and interest. Under authority of Order-in-Council P.C. 111/108 dated the 16th of January, 1930, the sum of $247.12 was written off as a loss. The present standing of this account is:-

Principal	Interest	Total
$96.11	$204.87	$300.98

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

F. W. Stinson.

Sir,

Re Y. L.-W-3-9-... 4th M.

I beg to inform you that the Agent of Dominion Lands at Lethbridge has forwarded here your declaration of the 5th ultimo in defence of the cancellation proceedings instituted against your entry for failure to make application for extent within the prescribed time.

According to your statement it would appear that you have performed the necessary residence duties, but I am to point out that you have only an area of 45 acres of breaking whereas the Dominion Lands Act requires an area of eighty acres to be broken in connection with a homestead and pre-emption. It will therefore, be necessary for you to increase your breaking to the area required before you will be in a position to successfully apply for extent.

As cancellation proceedings are pending against your entry, kindly advise the Agent of Dominion Lands at Lethbridge within thirty days what your intentions are in regard to completing the cultivation duties.

As much neglect may be due to an oversight on your part the proceedings in connection will be held in abeyance for a further period of thirty days from this date to allow you sufficient time within which to furnish the requisite evidence.

Re: Account of Jas. L. Wright,
S.E.¼ 34-5-9-W4.

Dear Sir:

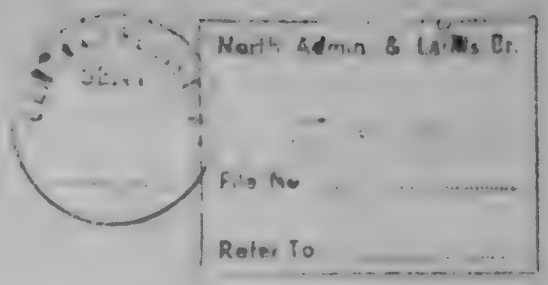

During the years 1918 and 1920 while homesteading the above mentioned land, Mr. Jas. L. Wright received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $732.43 of which $234.15 is principal and $498.28 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,

Dear Sir:

Re: Account of Jas. L. Wright
S.E.¼ 34-9-4-W.4th

In a letter dated the 16th of February, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain which was advanced to Mr. Jas. L. Wright by the Federal Government in the years 1918 and 1920. The amount outstanding is $732.43 of which $234.15 is principal and $498.28 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Re: Account of James L. Wright
S.E.¼ 24 & N.E.¼ 27-2-9-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1918 and 1920 seed grain amounting to $234.15 was advanced to James L. Wright on the security of the above-mentioned land. A payment of $1.60 was received in 1929, and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$234.15	$558.79	$792.94

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

F. W. Gibson.

I have your letter of the 30th of January, 1954, relative to your enquiry as to the age of the above-named.

In reply, I wish to inform you that we are unable to trace a record of entry for this man. The above-mentioned land was patented to Todor Romanko on the 7th of September, 1921.

We have a record of one Manoli Wasylenczuk having obtained a Patent dated the 29th of April, 1907, for the N.W. 13-59-16 W.4th Meridian, and, in his sworn statement dated the 26th of November, 1906, he gave his age as 42 years, and,

One Dmetro Wasylenczuk having obtained a Patent dated the 27th of October, 1914, for the N.W. 15-58-16 W.4th Meridian, and, in his sworn statement dated the 28th of July, 1914, he gave his age as 36 years.

The Secretary-Treasurer of the municipality in which his land is located may be of some assistance in furnishing information as to the correct spelling of his name and also the proper land description.

Yours very truly,

C.K. L-Capelain

Re: Account of August Emil Hansen
S.E. 36-26-17-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain and relief amounting to $71.50 were advanced to August Emil Hansen on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 71.50	$ 130.11	$ 201.61

Patent was issued in the name of August Emil Hansen for the S.E. 36-26-17-W4 on the 22nd of February 1918, subject to the 1915 liens.

In reply to our questionaire of the 21st of July 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"Title to this land is presently vested in this Department having been acquired through proceedings under the Tax Recovery Act. This land is vacant at present and is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Sir:-

I beg to acknowledge receipt of your letter and statement in connection with the S.W. ¼ 9-25-4 W. 4th Mer., and to say that in view of the fact that you communicated with me under date of the 13th of June stating that you wished to abandon this land, cancellation of your entry was carried out at the expiration of the sixty days notice and th applicant for cancellation was given the usual thirty days to secure entry.

His entry has not yet been completed as he has been called upon to furnish a declaration with regard to his nationality, and in the meantime I am forwarding your letter and statement to the Department but it would not appear that any action could now be taken on your behalf, as you apparently received the cancellation notices and were aware that the sixty days would expire on the 17th of June.

Sir:-

Referring to your letter of the 4th. of August,- file 264936-26[illegible] - I beg to enclose herewith a report from Homestead Inspector [illegible] regarding the cancelled entry of [illegible] for the S.W. ¼ 9-2[illegible]-4 W. 4th Mer.

The Secretary,

The question of re-instating Mr. Cook in his entry was submitted when it was decided to procure a Homestead Inspector's report, and advise the entrant of the terms of the Order-in-Council of the 15th February, 1917. He has not since been heard from.

Homestead Inspector Fleming now reports under date the 21st ultimo:-

"General Remarks:

"Visited above land Mr. Cook has not been in residence since he proved up his homestead the N.W.¼ 9-25-4-W4. He has 30 acres broke on homestead he is working his father's farm at Marrave the last two seasons. Says his father is not able to work his farm. Says if he can get any person to break 30 acres this summer he will get it done."

It may be stated the applicant for inspection wrote 15th ultimo pressing for a decision.

Kindly say whether the cancellation of Mr. Cook's pre-emption is to be confirmed and the land disposed of in accordance with the regulations.

Patented, 16th June, 1916.

The question to be decided is whether Mr. Cook is to be re-instated in his pre-emption entry or the cancellation allowed and the land disposed of in accordance with the regulations.

Cancellation proceedings were instituted on the 18th April, 1917, on an application to cancel filed by one Biddle Effird.

Apparently from the Agent's letter of the 1st July, 1917, to the entrant, that official in the meantime had received word from the entrant that it was not his desire to retain the land and that he wished to abandon and in view of his expressed wishes in this regard and in absence of any defence in response to the notices issued, cancellation was carried out on the 27th June, 1917, and the applicant for inspection given the usual 30 days within which to make entry.

Subsequently and before re-entry had been completed, the entrant furnished the Agent with a statement of the settlement duties performed claiming nothing further in that regard since making application for patent in the Spring of 1916, but setting out that he was absent engaged in farming operations.

Homestead-Percy Cook.
Patented-16th June, 1916.

The question is whether Mr. Cook's pre-emption entry should be restored to him.

The full details of the case are furnished in Mr. Nagle's memorandum underneath.

It appears that cancellation proceedings on behalf of Biddle Effird were commenced on the 18th April, 1917, and that in the absence of a defence cancellation was carried out on the 27th June following.

Mr. Cook wrote the Agent on the 13th June, 1917, expressing a wish to abandon the land. In view of this the Agent cancelled promptly at the end of sixty days

The Agent accepted an application for homestead entry from the applicant for inspection, Mr. Effird, and required him to furnish a declaration with regard to nationality.

The application for entry had not been completed when the Agent received a Defence from Mr. Cook setting out that since applying for this patent for his homestead on the 1st May, 1916, he had performed no further residence or cultivation duties. He claimed he had been working elsewhere at farm labour and that he would have some additional breaking done on his patented homestead this year.

The Homestead Inspector has reported that thirty acres of breaking was done on the patented homestead and that Mr. Cook has not performed any actual residence since he proved up his homestead, but that he had been working his father's farm at Hargrave the last two seasons and would have twenty acres broken on his patented homestead this summer if he could get anyone to do it.

Mr. Cook did not pay anything on account of his pre-emption and as he informed the Agent after the institution of proceedings that he wished to voluntarily relinquish and as his entry was seriously in default in

No. of Report Seed Grain

Name of Homesteader Biddle C. Efird

Land :— S.W. of Sec. 9 Tp. 25 Rg. 4 - 4 M.

General Remarks Continued:—

This man as far as I can find out has left the country inside the last four days and the Police are after him.

There are about 60 acres of this land broken and in crop this year. Grain has been all marketed and Mr. Efird has the money on his person as far as I know. There is a barn on this place 20 x 28, worth about $50 or $60 in present state of repair. This barn had been bought under a lien note from Mr. Saylor about 3 years ago. Mr. Taylor instructed his agent, Mr. Kidd to sell the barn, and as far as I can learn it has been sold to W. Evans.

I see no chance in making this collection unless unless the Police are successful in the arrest of this man. Would recommend that you write W. Evans at Oyen and ask him to inform you in regard to the return of this man.

For the information of the Department I beg to wrote below the contents of a letter of date the 30th ultimo received from the Bank of Toronto, Oyen Alberta in response to mine of the 27th inst:-

"We have received your letter of the 27th April and wish to thank you for the information supplied to us. We have no intention at the present time of assuming this seed grain indebtedness. Aird borrowed some money from us and lodged his title as collateral and we are merely verifying the position of the title. In 1926 he had a fair crop but before he was able to get threshed it was badly damaged by fowls and wet weather. His 1927 crop was partly threshed in the snow last fall and partly threshed this spring. It was very poor grade and merely provided him with sufficient funds to carry on. If he is favored with a crop this year he will possibly make a payment on his seed grain indebtedness, but in the meantime he has nothing with which to pay." Yours truly, H.R.T.(Manager)

Your obedient servant,

DOMINION LANDS ADMINISTRATION

OTTAWA, November 5, 1928.

Sir,-

S.W. ¼ of Sec. 9 Tp. 25 Rge. 4 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

As you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Re: Account of Biddle Cyless Efird,
S.W.¼ 9-25-4-W4.

Dear Sir:

During the year 1920 while homesteading the above mentioned land, Mr. Biddle Cyless Efird received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $407.54 of which $115.95 is principal and $291.59 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

RE: Account of Biddle Cyless Efird,
S.W. ¼ 9-25-4-W.4th

In a letter dated February 2, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain which was advanced to Mr. Biddle Cyless Efird by the Federal Government in the year 1920. The amount outstanding is $407.54 of which $115.95 is principal and $291.59 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. Dear Sir: Re Account D. 10. 9. 25. 4-4.

In reply to your letter re. my indebtedness to your Dept. I am sorry to say but this land has a lot of debts registered against it, considerable more than it is worth. It is very hilly and has a lot of stone on it, this district is classed as grazing land. perhaps you know this part of the country was mapped out as the "dry belt." I believe the Alberta Govt. has possession of 80 or 90 % of the land here.

I have been in poor health for many years, that is one reason I have not been able to pay anything on this debt. and we have also raised a

Dear Sir: Re: S.W. ¼-25-4-w.4th

We wish to thank you for your letter of the 2nd of January, 1957, informing us of the extenuating circumstances which you believe warrant a reduction in your seed grain account charged against the above land. We are certain that the Seed Grain Advisory Board will give these circumstances sympathetic consideration.

A recent Abstract of Title shows that in addition to our lien there are other liens charged against this quarter-section for advances made jointly by the Dominion and the Alberta Governments.

As we believe that you would like to secure a clear title, we are writing to Mr. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, with a view to having the Joint Provincial and Federal account included in whatever settlement is proposed. We expect he will write to you within the next few days about this matter.

Dear Sir:

Re: S.W. 9-25-4-W. 4th Meridian.

A copy of your letter of the 2nd ultimo addressed to the Department of Northern Affairs and National Resources, Ottawa, has been forwarded to this office since the Title is also encumbered by Joint Relief Liens and Agricultural Relief Liens.

It is noted that you have just made a satisfactory settlement of the Agricultural Relief Advances account on the basis of a 40% discount and the Liens filed in the years 1936-39 are being immediately released.

You will, no doubt, wish to clear your Title of the encumbrances registered with respect to Dominion and Joint Relief Advances and in this regard I would advise that the Joint Relief Advances account is outstanding in the full amount of $467.55 of which $132.50 is principal and the Dominion Advances account totals $415.67 of which $115.95 is principal.

In view of the large amount of accumulated interest charges it is my opinion that the Seed Grain and Relief Adjustment Board would give favorable consideration to a compromise settlement but in order to effect same it would be necessary to submit a detailed outline of your financial circumstances setting out assets and liabilities and submitting an offer of the maximum amount you feel should be accepted.

We will be pleased to receive such an offer from you supported by the information along the line suggested.

Re: Account of Biddle Cyless Efird
S.W. 9-25-4-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $115.95 was advanced to Biddle Cyless Efird on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$115.95	$328.12	$444.07

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

Sir,-

I am in receipt of your communication of the 21th ultimo requesting to be advised as to what reduction the Department can make in the amount of the Seed Grain indebtedness due as registered against title to the above described quarter.

In answer I beg to advise that the Department has no power to waive any portion of an indebtedness due the Crown and the Liens must therefore remain against title until payment in full has been received.

The Department does not, however, wish to inflict any undue hardship in effecting collection and if as suggested by you you can only make individual payments the same will be acceptable as evidencing your desire to meet this obligation.

Kindly advise this office, however, as to when payment to the credit of this account may be expected.

Pre-emption - C. H. Mfird.
Ref. L 1.

I beg to acknowledge the receipt of your communication of the 26th ultimo on behalf of the entrant, and in reply I am to state that as the matter of payment on account of principal and interest in connection with a pre-emption is a statutory provision, the Department has no authority to waive this requirement.

With interest computed to the 1st November next the amount on account of principal and interest will be $80.96.

In view of the fact that Mr. Mfird has held this entry for over fifteen years it is expected that within a period of sixty days from this date a substantial payment on account will be remitted to the Agent of Dominion Lands at Calgary.

If Mr. Mfird is not in a position to take care of the payments under the terms of his entry, perhaps his better plan would be to abandon same for which purpose I am enclosing herewith form No. 215A, which he should complete and forward to the official aforesaid for transmission to this office.

In the event of Mr. Mfird abandoning his entry it will not be possible for him to obtain another entry of this nature as purchased homestead and pre-emption entries are not now being granted.

Re: Account of Goodwin Freng,
N.W.¼ 6-41-4-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Goodwin Freng received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $256.29 of which $84.15 is principal and $172.14 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Dear Sir:

RE: Account of Goodwin Freng
N.W. ¼ 6-41-4-W.4th

In a letter dated February 1, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain, which was advanced to Mr. Goodwin Freng by the Federal Government in the year 1915. The amount outstanding is $256.29 of which $84.15 is principal and $172.14 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C.K. LeCapelain,
Chief,

Re: Account of Goodwin Freng
N.W. 6-41-4-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to $84.15 was advanced to Goodwin Freng on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$84.15	$188.97	$273.12

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the lien be discharged.

Dear Sir.

I would like to draw your attention to the fact that Geo Brassard has made application for proof of the W½sec 4 T22R7W4 Now he has been running a store in town for two years and has not done his residence duties in that time. We are having too much speculative homesteaders here for the benefit of the country so I am drawing your attention to this case at the request of his neighbours There are several cases here of men hiring a little work done & think that is all that is necessary while the rest of us struggle to develop the Country .

Hoping you will look into this

Sir,-

I beg to acknowledge the receipt of your letter of the 22nd ultimo, wherein you state that Mr. George Brassard, who holds homestead and pre-emption entries for the West half of Section 4, Township 22, Range 7, west of the 4th Meridian, has been running a store in town for two years and that he has not done his residence duties in that time.

In reply I am to say that Mr. Brassard in his application for patent for his homestead, the North West quarter, claims continuous residence on his land from the 18th of October, 1912, to the 16th of December, 1914, which statement has been borne out by the evidence of two witnesses and unless you are in a position to furnish the Department within the next thirty days with a statutory declaration corroborated by the evidence of at least two disinterested witnesses in rebuttal, the Department will proceed with the issue of patent for the above quarter-section.

I am enclosing herewith copy of the letter from Mr. T. C. McKee drawing the attention of the Department to the fact that Mr. George Brassard, who has made application for patent for the North West Quarter of Section 4, Township 22, Range 7, West 4th Meridian, may not have completed the necessary duties to entitle him to patent for this land.

Encl.

Mr. McKee has been requested to furnish the Department with further particulars in this regard, but in view of the complaint it is thought advisable before proceeding further in the issue of Letters Patent to have a Homestead Inspector visit this land and furnish a report as to the actual residence, improvements and cultivation duties performed by the entrant in connection with same.

The Inspector should at the same time furnish a similar report in reference to Mr. Brassard's preemption entry for the South West Quarter of this Section.

Be good enough to have the report required in this case forwarded at the earliest possible date.

Mr. Hume

N.W.¼ of 4-22-7-W. 4th Mer.
Homestead of George Brassard.
Application for patent made,
but issue of patent stayed.

S.W.¼ of 4-22-7-W. 4th Mer.
Pre-emption of George Brassard.
Application for patent not made.

If you will kindly turn to form No. 58 marked, you will note what was claimed in the way of residence and improvements.

There was nothing on file to discredit Mr. Brassard's claim as to residence so application for patent was dealt with in the usual manner.

On the 22nd of February, 1916, Mr. R. C. McKee wrote the Department complaining that duties in this case have not been satisfactorily been performed so a Homestead Inspector's report was ordered.

Homestead Inspector Flemming now reports residence and improvements as you will find set out on form No. 58 marked A.

If you will examine this form, you will note that Mr. Brassard has only performed two terms of residence that can count to his advantage and has been absent from his land since the 15th of July, 1914. (You will also note that residence claimed by the Homestead Inspector differs from that claimed by Mr. Brassard, in his application for patent.)

The Inspector states that since the 15th of July, 1914, Mr. Brassard has been running a store, but he has now sold out and is moving back to his homestead.

I presume that Mr. Brassard should be advised that it will be necessary for him to complete another term of residence in connection with his application for patent for the homestead and that he will also require to fully complete pre-emption duties before making application for patent.

Recommended. If he completes 6 months residence in addition to what he has already done, I would issue patent for both quarters.

Sir,-

N.W.¼ 4 - 22 - 7 - W. 4th M.

With reference to your entry for the above quarter-section and to the application for patent which you made on the 20th of December, 1915, I beg to say that a report has now been received from an Officer of the Department from which it appears that you have only performed two terms of residence which can count to your advantage, as any residence performed since the 24th of April, 1914, by merely going on to your homestead and sleeping while engaged at Atlee in keeping a store cannot count to your advantage.

It will, therefore, be necessary for you to resume residence on your homestead and put in a further period of six months and then execute the usual Supplementary Statement before your application for patent can be further dealt with.

With reference to your pre-emption entry for the S.W.¼ 4, in the same Township, I beg to say that you are very much in default at the present time in connection with this quarter-section, and it will be necessary for you to at once take up your residence on your homestead in order to place your entry in good standing.

I might inform you, however, that if you take up your residence and place your entry in good standing and increase your breaking to eighty acres and have at least fifty acres

Re: Account of George Brassard,
S.W.¼ 4-22-7-W4.

Dear Sir:

During the year 1919 while homesteading the above mentioned land, Mr. George Brassard received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $335.32 of which $93.60 is principal and $241.72 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Your letter of the 31st ultimo, addressed to the Department of Northern Affairs and National Resources, Ottawa, written with respect to the Dominion Advances account which was obtained on the security of the W.½ 4-22-7-W. 4th Meridian, has been referred to this office in view of the fact that there are Joint Relief Advances and Agricultural Relief Advances Liens registered.

It would appear that you wish to obtain information with regard to making a compromise settlement.

According to our records the present standing of the Dominion Advances account is $93.60 principal and $241.72 interest. The Joint Relief Advances account is presently outstanding in the amount of $192.60 principal and $472.57 interest. The Agricultural Relief Advances total $804.50 on which we are privileged to allow a discount of 40% and $482.70 would be sufficient to retire that account and obtain release of the relative Liens.

I trust you will give due consideration to the information set out above and will submit an offer to this office of the maximum amount which you would consider you can make a cash payment for immediately and your offer would be given due consideration.

You must also furnish this office with detailed information regarding all your assets, liabilities, and the detailed analysis setting out particulars such as assessed value of land, machinery, grain on hand, livestock, and any other information which you may consider relevant.

We will be pleased to hear from you again at your early convenience.

Dear Sir:

RE: N.W. 4-22-7-W.4th

We wish to thank you for your letter of the 31st of January, 1956, asking the minimum amount required to settle the account of George Brossard charged against the above land. In addition to the Federal account there is also an account for advances made by the Provincial Government. We believe that you wish to obtain a clear title and we are therefore referring your letter to Mr. S. Cherkes, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, whom we believe will look into this case and advise you as to the least amount acceptable to settle both our claims.

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $93.60 was advanced to George Brassard on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$93.60	$267.95	$361.55

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the lien be discharged.

Sir,

I beg to return herewith the application for patent of Mr. Andrew Sproat for his pre-emption, the N.W.¼ 19 - 1 - 17 -W. 4th Meridian, which accompanied your communication of the 17th ultimo, Reference 83784 and 83787, and to point out that in view of the evidence set out by Homestead Inspector Scott in his report of the 10th idem, it has been decided to accept the cultivation duties performed in this case in lieu of the further fencing required, and if the entrant will immediately pay for the land in full or apply for a Certificate of Recommendation and you will recommend the application for patent, same will be submitted for consideration.

I might add, however, that if Mr. Sproat is not in a position to immediately pay for the land and if he does not apply for a Certificate of Recommendation as his residence duties were performed by residing in the vicinity, he will require to show that he is in residence either on his homestead, provided he is the owner of same, or on the pre-emption itself and otherwise complying with the laws.

Kindly notify Mr. Sproat accordingly.

OTTAWA. 30th June, 1922.

Sir,

With reference to the cancellation proceedings outstanding against your pre-emption entry, the North West quarter of Section 19, Township 1, Range 17, West 4th Meridian, I beg to inform you that according to the evidence on file here your entry is seriously in default as regards residence and the Department would be justified in carrying out cancellation as the residence performed with your father in the vicinity cannot be counted to your credit in connection with your pre-emption.

Under the circumstances it has been decided to allow you a final period of thirty days from this date within which to furnish the Agent of Dominion Lands at Lethbridge with satisfactory evidence in the form of a statutory declaration that you are in actual bona fide residence either on the pre-emption itself or on your patented homestead, provided you are still the owner of same, with the intention of remaining there and completing the required residence duties. Should you fail to furnish the evidence within the time required the aforesaid official will cancel your entry and dispose of the land in accordance with the regulations.

Re: Account of Andy Sproat
A.R.A. 19-1-17-S.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to $168.00 were made to Andy Sproat in 1920, on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$168.00	$304.58	$472.58

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

5331380

It has been disclosed by the Department of the Interior that the seed grain was obtained for use on the NE¼ 1-26-4-4 only.

In view of the poor quality of the land, it is felt that if the new entrant were called upon to assume any part of this liability in addition to the performance of homestead duties, the expenditure and labour involved would be so great as to make the acquisition of title to this land by him in this manner an uneconomical and unprofitable proposition.

Furthermore, the condition of the title of the NE 1-26-4-4 which stands in the name of the debtor is such as to lead to the belief that a large portion, if not all of the indebtedness, can ultimately be recovered from this source, which would be more just than recovery from the new entrant on NW 1-26-4-4 in as much as the first mentioned land received the principal benefit from the advances, and recovery from this source would in effect be the equivalent of payment by the original debtor rather than by a new entrant who in no conceivable way could have benefited personally by the advances.

It is therefore recommended that no portion of this indebtedness be held as a charge against the NW 1-26-4-W4th.

Yours truly,

Dear Sir;-

Re: Alonzo O'Donnel - Dominion Liens - N½ 1-26-4-W4th.,

Alonzo O'Donnell received the following advances from the Dominion Government;-

1915	Relief,	$15.00
1915	Fodder,	10.50
1915	Seed Grain	51.00

He has made no repayments and the amount of his indebtedness as at September 29th 1928 was $128.17.

Liens are registered against title to NE 1-26-4-4 which stands in the debtor's name.

The indebtedness also forms a charge against NW 1-26-4-4, the debtor's pre-emption in connection with which he has executed a declaration of abandonment.

Frederic Austin Pope obtained a second homestead entry on this land on August 1st, 1928, and executed the customary agreement to assume liability for the seed grain, fodder and relief indebtedness with the proviso that an adjustment be made.

It has been ascertained by inquiry from reliable persons that this land is poor, being rough and stony and fit only for pasture. It is situated near Oyen, in a dry district.

This case has received investigation and recommendation as per Mr.Loree's report of November 23rd last, and the Board's recommendation of the 9th ultimo. The Seed Grain & Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens now registered against the N. ½, 1-26-4-W. 4th Mer., be disposed of as follows:-

Re: Account of Alonzo O'Donnell,
N.E.¼ 1-26-4-W4.

Dear Madam:

During the year 1915 while homesteading the above mentioned land, Mr. Alonzo O'Donnell received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $233.36 of which $76.50 is principal and $156.86 is interest.

The Seed Grain advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the inuebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

Dear Madam:

Re: Account of Alonzo O'Donnell
N.E.¼ 1-26-4-W.4th

In a letter dated the 2nd of February, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain, fodder and relief which were advanced to Mr. Alonzo O'Donnell by the Federal Government in the year 1915. The amount outstanding is $233.36 of which $76.50 is principal and $156.86 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Re: Account of Alonzo O'Donnell
N.E.¼ 1-26-4-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $76.50 were advanced to Alonzo O'Donnell on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$76.50	$174.09	$250.59

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dear Sir:

Re: S.E. 5-1-20 W. 4th Mer.

This will acknowledge your letter of March 4, 1948 inquiring about seed grain liens registered against the above described property.

Our claim is for advances of seed grain to Nels E. Nelson in the years 1919 to 1922 secured by liens taken on the E.½ 5-1-20 W. 4th Mer. on which no payment has ever been made and the account now stands:

Principal	Interest	Total
$331.10	$612.88	$943.98

In order to assist you in clearing title to this property if you will remit the principal amount outstanding plus one half the accrued interest a recommendation will be made to the Seed Grain Adjustment Board that this be accepted in full settlement of our claim.

You will note that our security is on the E.½ 5-1-20 W. 4th Mer. and if you are interested in clearing title to the S.E.¼ only an apportionment of the above described indebtedness could be made over the two quarter section based on their values. Will you kindly verify that you are only interested in the S.E.¼ 5-1-20 W. 4th Mer. and also supply us with the assessed value of same.

Yours very truly,

Dear Sir:

Re: S.E. 5-1-20 W. 4th Mer.

We have been advised by Mr. H.C. French, of the Dept. of Municipal Affairs, at Edmonton, Alta., that the above property is encumbered by Federal Government liens in the amounts of $139.75, $29.25 and $36.59 in the name of Nels Herman Nelsen.

According to our records these liens were taken to secure Joint Federal and Provincial advances of relief and fodder in 1920 and 1922 but were registered in the right of the Federal Government. The indebtedness for these advances has been settled and you are therefore, authorized and requested to remove from the title of the S.E. 5-1-20 W. 4th Mer. Federal Government liens in the amounts of $135.75, $29.25 and $36.59 and in the name of Nels Herman Nelsen.

The land is not of great value being assessed for taxation purposes for the sum of $910.00 and being situated in a township which has been eligible for awards under the Prairie Farm Assistance Act 7 years out of the 10 in which awards have been granted.

In view of the difficulties experienced by the present title holder and the fact that he has already paid the full value of the land, it is my recommendation that the offer be accepted making a total recovery of five hundred and twelve dollars and ten cents ($512.10) against original advances of three hundred and ninety-seven dollars and seventy cents ($397.70). No certificate of title has yet been issued for the S.E. of legal subdivision 10 of this section. The debtor sold the S.E. 5-1-20-4 to another individual and the purchaser understood that liens were either paid or cancelled but took no steps to definitely ascertain the position of the title. The purchaser has now approached this office and tendered the sum of $400.00 for release of the Crown liens.

The present owner's solicitor advises that the debtor is not in exceptionally good financial shape having lost his house by fire in the spring of 1949, at which time the neighbors helped him out with subscriptions of money. In 1950 the crop

Dear Sir: **Re: N.E. 9-1-20-W.4th.**

We wish to thank you for completing the mimeographed sheet requesting certain information concerning the above land. You have indicated that this land no longer belongs to the Municipal District but was sold at a tax sale on the 27th of October, 1952. We have an account charged against this land in the name of Tom. R. MacKenzie for seed grain, fodder and relief advances made in 1915. The present standing of the account is as follows:-

Principal	Interest	Total
$ 191.50	$ 346.28	$ 537.78

In cases such as this, where the Municipal District has obtained title through tax foreclosure proceedings, the Seed Grain Advisory Board usually endeavours to obtain a settlement on a pro-rated basis. If you wish to have the title of this land cleared of our liens, would you kindly advise us of the selling price of the land and the total amount of your claim including costs of obtaining title. On the receipt of this information, you will be advised of the amount that you are required to pay. It is possible that the purchaser bought this land subject to the liens and, of course, he may wish to have them removed. If such is the case, if he will write to us we shall be pleased to recommend to the Seed Grain Advisory Board that some adjustment be made in the amount of this account if there are extenuating circumstances which would warrant it.

Dear Sir:

Re: N. E. 9-1-20-4
Your File 2675252

We have your letter of December 8th re the above land.

As you stated in that letter, we filled in a mimeographed form which you sent to us requesting certain information. Unfortunately we did not keep a copy of that form. However from your last letter it would appear that we either made an error in the information we gave you, or else we did not make ourselves clear.

The N. E. 9-1-20-4 has been purchased from the present Title Holder, C. W. MacKenzie, by his brother-in-law, Elmer Witting, of New Dayton, Alberta. There are no arrears of taxes owing on this quarter section.

The East half of Section 17-1-20-4 stands in the name of C. W. MacKenzie, Twin River, Alberta. This half section was offered for sale under the Tax Recovery Act on October 27, 1952. There were no bidders at that sale so the land was not sold. Unless the taxes owing are paid within one year from the date of the sale the Council can take Title to that land, and they can either sell it at a private sale or they can lease it after Title is taken. The arrears of taxes amount to $349.89.

I regret very much the misunderstanding which our former statement gave you and I hope that the information given in this letter will correct it.

Yours truly,

D. M. Holladay

Re: Account of Tom. R. MacKenzie,
N.E.¼ 9-1-20-W4.

Dear Madam:

During the year 1915 while homesteading the above mentioned land, Mr. Tom. R. MacKenzie received seed grain and fodder as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $681.65 of which $191.50 is principal and $490.15 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Dear Sir:

Re: Account of Wm. R. MacKenzie
Mrs. M. Witting

Your letter of 15th February last written to Mrs. Margaret Witting of New Dayton, Alberta, has been handed to me for my attention.

This quarter section was pre-empted by Mr. Thomas R. MacKenzie in 1915, it was taken by Mr. MacKenzie in the late 1920's as a free grant. It appears that the lien should not have been placed against that land. The information I have is that Mr. MacKenzie did not receive any request for payment of this lien while he was living.

Mrs. Witting's husband is a carpenter but has not been employed lately; besides Mr. and Mrs. Witting have been under heavy medical and hospital expense as their son Peter has had Rheumatic Fever. In addition to this, Mrs. Witting has had attacks of Rheumatic Fever in the last few years.

Mrs. Witting has been leasing this quarter section for several years on a share of crop rent and has been getting but very little returns from the grain. This quarter section is not a very good one. It is impossible for Mrs. Witting or her husband to pay anything on this lien at this time. If they get into a financial position they will be able to pay something in the future, but I am certain they will not be in a position to do so for some time. They are honest people and will try to pay something on this account if they get able to do so.

You might let me know what is the least amount which your Department will accept. This letter is written subject to the question of whether the lien was properly registered against this land.

Re: [illegible].L. [illegible]-1-10-W.4th

We have your letter of the [illegible]t of February, [illegible], in regard to the matter why you believe that the amount of Taxes on L.S.D. Mortgage should be reduced. You state in the letter there is some possibility that our file might have been lost, and that this is so. The original mortgage was dated the [illegible].I. [illegible]-1-17-W.4th. However, as it was a first mortgage it would automatically become a charge against any other lands the writer later acquired.

A recent search of Title [illegible] in our name there are other liens in the form of the Province of Alberta. As we believe you wish to have clear title, we are writing to Mr. C. We are enclosing a copy of a letter received from Mr. C.E. Cameron, Barrister, Solicitor, Lethbridge, Alberta, concerning the account of Tom MacKenzie charged against the above land.

Although Mr. Cameron states that there is some doubt as to whether our Federal lien is a correct charge, we have checked our file and our records show that this is a correct registration.

The Title to the N.E.¼ 17-1-20-W. 4th Meridian is clear of these encumbrances but they stand registered against the south-east quarter and both Titles now stand registered in the name of Colin W. MacKenzie.

Mrs. Witting through her Solicitor, has expressed a desire to clear her Title and has made an offer and remitted payment of One Hundred and Fifty ($150.00) dollars.

It is submitted that the total area of the 3 parcels is 455.10 acres of which her Title covers 135.10 acres and that the original principal total of the advances was Four Hundred and Forty-Two dollars and Forty-Five cents ($442.45). Payment tendered by Mrs. Witting is on account of principal and the ratio of her acreage to the total area.

Our investigation indicates Mrs. Witting's financial circumstances are very limited and she still has considerable amounts outstanding for medical and hospital expenses incurred on her own and daughter's account.

In view of these circumstances I would recommend that the payment be accepted and applied in the amount of One Hundred ($100.00) dollars to Dominion Advances and Fifty ($50.00) dollars to Joint Relief Advances and that after such application is made the Liens be released insofar only as the north-east quarter 9-1-20-W. 4th Meridian is concerned and retained to secure the balances of both accounts as regards the Title to the S.E.¼ 17-1-20-W. 4th Meridian and the General Register, pending a further application for settlement being made in the future.

Yours very truly,

S. Charters,
CHIEF COLLECTOR.

In 1915 seed grain and fodder amounting to $191.50 were advanced to Thomas R. MacKenzie on the security of the above-mentioned land. A payment of $100.00 was received in 1957 and applied to the principal. The present standing of this account is:-

Re: Account of Thomas R. MacKenzie
S.E.¼ 17-1-20-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to $250.95 were made to Thomas R. MacKenzie in 1919 and 1922 on the security of the S.E.¼ 17-1-20-W.4th and the N.E.¼ 9-1-20-W.4th. Payments of $128.05 and $50.00 were collected by the Province in 1930 and 1957, respectively, and applied to the principal and interest. Under authority of Order-in-Council P.C. 1954-907 dated the 17th of June, 1954, the N.E.¼ 9-1-20-W.4th was released as security for the liens on the payment of $50.00. The balance of the indebtedness has since remained as a charge against the S.E.¼ 17-1-20-W.4th. No payment has since been received and the present standing of this account is:-

Principal	Interest	Total
$200.95	$461.23	$662.18

According to an Abstract of Title on file dated the 2nd of February, 1956, the S.E.¼ 17-1-20-W.4th stood in the name of Colin William MacKenzie, clear of any encumbrance.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Re: Account of Carlos A. Strate,
S.E.¼ 21-1-22-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Carlos A. Strate received seed grain and fodder as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $343.64 of which $119.88 is principal and $223.76 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land of other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Dear Sir:

Re: Account of Carlos A. Strate
S.E.¼ 21-1-22-W.4th

In a letter dated the 22nd of February, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain and fodder which were advanced to Mr. Carlos A. Strate by the Federal Government in the year 1915. The amount outstanding is $343.64 of which $119.88 is principal and $223.76 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Re: Account of Carlos A. Strate
S.E., 21-1-22-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to $185.80 were advanced to Carlos A. Strate on the security of the above-mentioned land. A payment of $100.00 was received in 1918 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$119.88	$250.74	$370.62

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

Dominion and Joint Relief Liens.

The above Board Order dealt with the Dominion and Joint Relief liens given by the above party on the land quoted, his entry to which was subsequently cancelled. Ralph W. Jones subsequently filed on this quarter agreeing to pay the sum of $500.00 in satisfaction of the liens, 60% being allotted to the Crown liens and 40% on the Joint Relief liens.

It would be greatly appreciated if you would advise whether or not any monies have been paid on account of the Dominion liens. Our file does not show any remittance having been made to Ottawa but there is a possibility that monies may have been remitted direct or through one of your agents before the resources were transferred to the Province.

RE: Account of Fred J. Hacke
N.E. ¼ 14-1-20-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915, 1918, 1920, 1921 and 1922 seed grain, foddr and relief amounting to $558.77 were advanced to Fred J. Hacke on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$558.77	$1,296.68	$1,855.45

The N.E. ¼ 14-1-20-W.4th was formerly the homestead entry of the debtor whose entry was later cancelled. The land was re-entered upon by Mr. Ralph W. Jones to whom apparently patent subsequently issued and there is no record of the liens having ever been registered against the land.

According To an Abstract of Title dated the 17th of February, 1956, this quarter section of land now stands in the name of Mabel Jones of Twin Rivers, Alberta, and Arthur Horace Jones of Picture Butte, Alberta, Executors of the will of Percy Alfred Jones (deceased), clear of any encumbrance.

As the liens are not registered against the land and there is no further security for our advances, it is recommended that the indebtedness be cancelled.
